

TECHNICAL DATA SHEET

BIOHAZARD SPILL KIT

Code 4852/PREKIT

DESCRIPTION

Callington Biohazard Spill Kit is a versatile biohazard spill cleaning kit, which readily supports the cleaning procedures for any biohazard emergencies. The kit consists of an effective bactericidal cleaner, face/eye mask, long sleeve protective apron, disposable wipes, gloves, absorbent granules, absorbent cloth, plastic scoop and bio-hazard waste bag.

Whether you operate a taxi, or are in the hospitality, medical services, aged care industry, the Biohazard Spill Kit will help you clean up unexpected vomit, urine, sweat or other body fluid spills.

The Ki-ose 3-in-1, included in the Biohazard Spill Kit, counteracts and neutralises unpleasant odours. It is also effective as a surface cleaner for hand basins toilets, cupboards, passenger trays and floors.

Callington Biohazard spill kits come complete with everything you need to have an effective spill management system.
